

Guiding Steps to fill in the survey

Note: The students can use their mobile phones to fill in the survey.

The steps just explained would now be demonstrated in pictures as following:

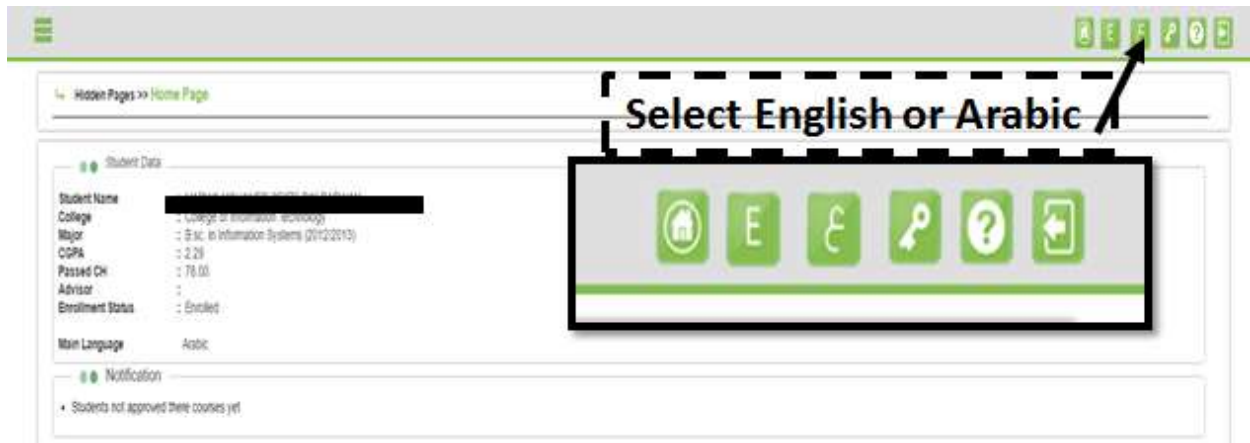

- 1- Enter the url address web page, <https://sis.uob.edu.bh> or simply sis.uob.edu.bh

- 2- The student should enter their username "Student UOB ID number" and password, which are similar to their username and password used for their registration.

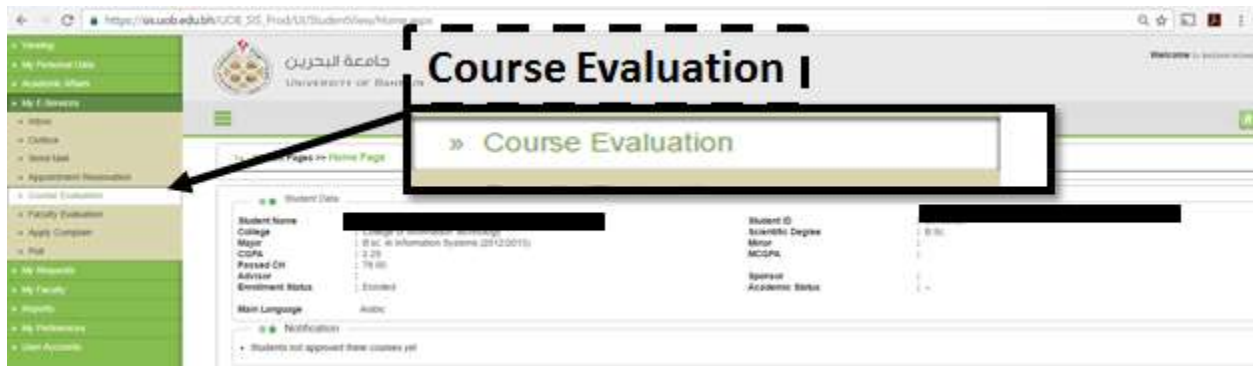

- 3- The student can select English or Arabic to fill in the survey with his/her preferred language.

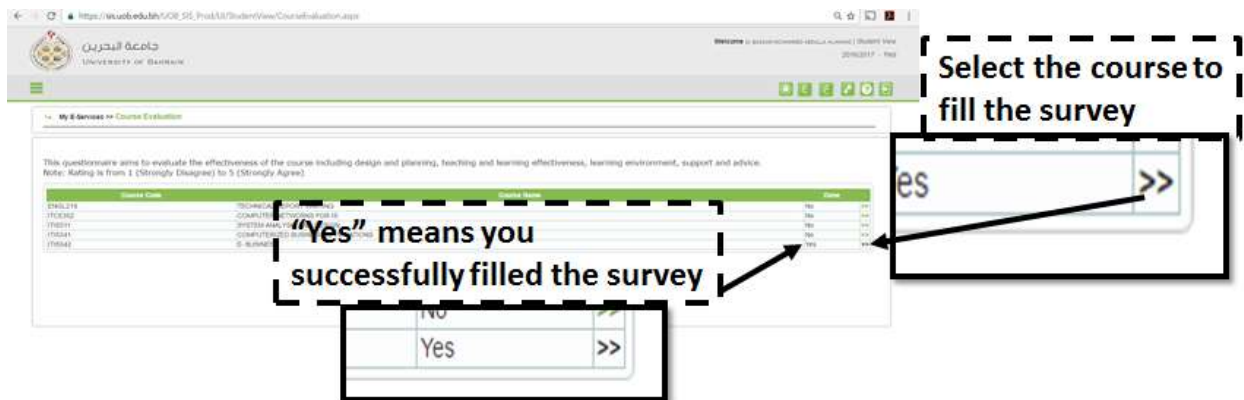

- 4- The student should then click the menu on the upper left side of the page, and select "My E-Services"

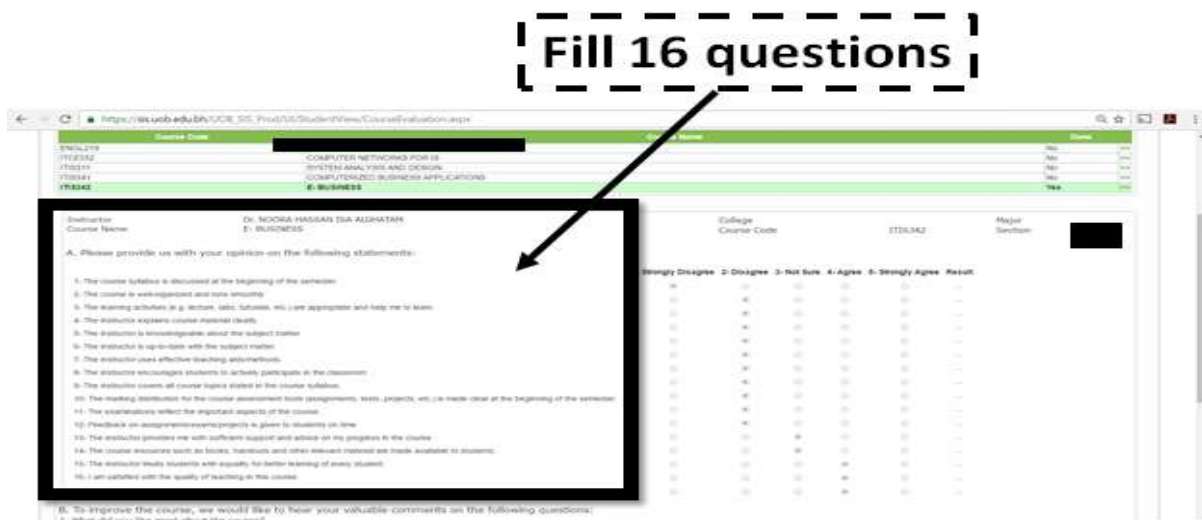

5- The student should then click on “Course evaluation”, which is under “My E-Services”.

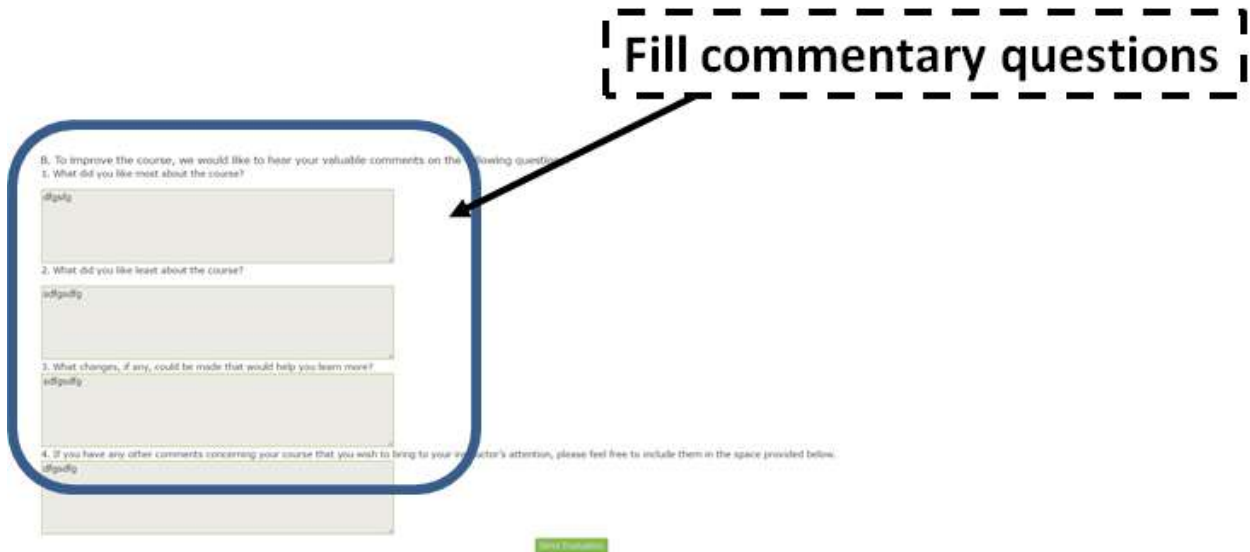

6- The list of registered courses would appear. The student should select the course by clicking “>>” on the right-side beside the course information.

7- The student would now fill the survey for the 16 questions. It is mandatory to answer all 16 questions.

- 8- On the same page, beneath the questions, the students could add open comments for the next four questions. These commentary questions are not mandatory and could be kept empty by the student.

- 9- The student would finally click "Send Evaluation" at the bottom of the page, and hence the survey is considered completed.
