

Scientific Journals Publishing Mechanism

¹The issue is delivered after completing the following:

- Ensuring the integrity of the scientific material of the issue's papers in accordance with the publishing rules at the University of Bahrain and the Kingdom of Bahrain.
- Linguistically reviewing the issue's papers for both Arabic and English language.
- Ensure that all data of the researcher/researchers (name, employer, country, email) is available in each research.
- The research should include two abstracts (Arabic and English), and keywords.
